

MANUFACTURER'S CERTIFICATION STATEMENT

for the
AMERICAN TAXPAYER RELIEF ACT OF 2015

COVERTECH certifies that the following rFoil® Reflective Insulation and Radiant barrier products are "Eligible Building Envelope Components" and qualify for the Federal Tax Credit available for existing homes, as part of the American Taxpayer Relief Act of 2015 when installed in accordance to the rFoil installation instructions and per program guidelines. The residential applications that qualify for the credit are: Walls, Attics and Crawl Spaces.

The IRS allows for a tax credit of 10% or up to a cost of \$500 dollars for qualifying products purchased and placed in service from January 1, 2015 – December 31, 2016.

The following products under each category are eligible for the Manufacturer's Certification Statement.

rFOIL™ Radiant Barrier Products

- rFOIL® 4800 Series

rFOIL™ Reflective Bubble Insulation Products

- rFOIL® - 2210 Series
- rFOIL® - 2220 Series
- rFOIL® - 2510 Series
- rFOIL® - 2520 Series

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
